

Resident Council Application

PURPOSE

The purpose of the Resident Council is to encourage residents to engage in their community and positively affect the quality of life of families living within Hickam Communities. A council will be established in several communities and residents will have an opportunity to share their ideas and suggestions, express their concerns, and work with their property management team to develop solutions. The purpose of the council is not to address individual maintenance or property management concerns as those should be directed through the appropriate Performance Feedback/Resolution Process. It should also be understood that Hickam Communities values all suggestions and recommendations by the Resident Council but must operate within a specific budgeted amount.
