

APPROVED AND PERMITTED FENCING

Residents have three (3) fencing options. **NOTE:** No other types of fencing material are allowed, and No fencing can be installed without an approved fence packet from the North Haven Community office. Residents are not permitted to dig posts into the ground. Please refer to the packet for approved installation requirements regarding installing a fence.

Approved Chain Link Fencing: “Above and Inground Ground Fencing”

- **Approved Above-Ground fencing:** Residents can purchase fence panels from the companies listed on NHC’s fence packet or a supplier of their choice. Residents can NOT install above-ground fencing without an approved fence packet from North Haven Communities (NHC). *Fencing needs to meet NHC requirements before installation.
- **Approved In-Ground Fencing:** Residents MUST obtain the NHC fence packet and follow all guidelines required, including Army/DPW Dig Permit Approval w/ signatures before installation.

Black Rod Iron Fencing (Existing)

- It must be similar to the existing fence shown in this picture. Approved installation is required, as stated above.

White Vinyl Decorative Fencing: Approved Above Ground

- Resident’s responsibility to purchase.
- **NOTE:** This is a decorative fence. This fence is not sturdy enough to restrain or contain pets.
- 2 pack 36in. x 42in., available for purchase on Amazon. (Zippity Outdoor No Dig Semi-Permanent Vinyl Fence).

Dog Kennel: NHC has approved a 10 × 10 Dog Kennel (similar to picture shown)

- Resident’s responsibility to purchase.
