

# Meet your Resident Advisory Board Members

The Resident Advisory Board (RAB) was established to encourage residents to engage in their community and positively affect the quality of life of families living within North Haven Communities. A huge thank you to the resident volunteers for donating their time and contributing to the success of their community!

Residents are encouraged to share ideas and suggestions with their RAB representatives as you see them in the community or by emailing [RAB@nhcalaska.com](mailto:RAB@nhcalaska.com). North Haven Communities values all suggestions and recommendations.

I am part of a military family of 6, my husband and I have 4 children. My husband joined the Army later in life and moving from Colorado, the only home our children knew, was a big step for our family. Fort Wainwright is our first duty station and our first experience with living on a military base. We chose to live on post because we wanted to make the transition of moving easier and be able to have a community already at our fingertips.

Aside from being a wife and mother first, I have always enjoyed volunteering my time to help make a difference. I have served on Arctic Light K-8 advisory school board, Eclipse Soccer Club board member, Hockey Club Fairbanks Director for State Hockey Tournament 2020, SFRG Co-Leader, to list a few. Ultimately, it's not about how much you have done but about the lives you touch along the path. To make a place feel like home I believe in investing in the community, getting out and meeting people, understanding the dynamics, and trying to build relationships.

I choose to volunteer for the RAB to help spread the word that this community has a lot to offer and to help other families navigate and enjoy their time here, as we are enjoying ours. We have fallen in love with this beautiful state and community.

I look forward to seeing, helping and listening to you all.

Welcome to an astounding community!

I've been married to the military for 22 years and have lived all over the U.S. and Germany. I have lots of experience living in military communities and know that good communication is essential. Being an older member of the community, I have great life experiences that have taught me to be a great listener and value what each person brings to the community.

I am participating in the Resident Advisory Board to be more engaged in my community, I also think I can have a positive affect on my community. I love to learn more about and be involved in my community. I think I have great ideas at times that may help my community.

I am very out going and love to help and be around people. I love to help others and to help others understand more about things that they may need help understanding. I have always been a really down to earth person and like to see others different outlook and opinion.

## Silvio Pellegrini

North Town &  
Chena Bend

Hello and thank you for this opportunity to represent you, the residents of Chena Bend and North Town Communities at Fort Wainwright, Alaska!

I am a military spouse, dad of two, a USAF Reservist, an Intelligence Analyst, Sr. Cybersecurity Professional and an IT Project Manager. I have a passion for solving problems and helping others to succeed.

I hope to serve and improve our community through representation of neighborhood issues with vigilance, fortitude, and conviction. I plan to engage in-person through social media, text, chat, etc... Collect input, issues, by the 15th of every month and provide a consolidated list to North Haven Community & Garrison to address for the RAB (First Monday of the month), then provide updates to the community.
