

# Knox Hills 2023

## Trash & Recycling Schedule

Trash is collected on a weekly basis in each neighborhood via the schedule below. Please ensure that your provided trash container is placed at the curb the evening before trash collection. Once the trash is collected, please return your trash container to its proper place on the same day as collection. During weeks with holiday closures, any changes to the trash collection will be provided to residents via email notices and posts on the Knox Hills Facebook page.

Knox Hills has an automated refuse pick-up system. Because of this - and for the safety of all personal property and our residents - trash cans must be placed in areas clear of cars, signs, lamp posts, telephone poles/low-hanging wires and mailboxes. Refuse cans and recycle bins in Prichard Place and Pressler Grove neighborhoods must be placed on the non-parking side of the road.

Please see back for for list of items that are acceptable to recycle. Trash and recycle schedule is subject to change.
