

Meet your Resident Advisory Board Members

The Resident Advisory Board (RAB) was established to encourage residents to engage in their community and positively affect the quality of life of families living within Fort Drum Mountain Community Homes. A huge thank you to the resident volunteers for donating their time and contributing to the success of their community!

Residents are encouraged to share ideas and suggestions with their RAB representatives as you see them in the community or by emailing RAB@fdmch.com. Fort Drum Mountain Community Homes values all suggestions and recommendations.
