

# RAB Committee Application

---

## PURPOSE

The purpose of the Resident Advisory Board is to encourage residents to engage in their community and positively affect the quality of life of families living within Island Palm Communities (IPC). A board will be established in several communities and residents will have an opportunity to share their ideas and suggestions, express their concerns, and work with their property management team to develop solutions. The purpose of the board is not to address individual maintenance or property management concerns as those should be directed through the appropriate Performance Feedback/Resolution Process. It should also be understood that IPC values all suggestions and recommendations by the RAB but must operate within a specific budgeted amount.

## MEMBER QUALIFICATIONS

Members must be a current IPC resident in good standing. Island Palm Communities is looking for individuals who have an interest in communications or community development, events and have a desire to contribute positively to Island Palm Communities through the development of a valuable communication tool.

\*\*Childcare will not be provided at the RAB meetings.

Island Palm Communities and members of the board will:

- Value all resident opinions and listen to recommendations and suggestions
- Foster a sense of belonging and community among families
- Create an opportunity for residents to be part of a decision-making process
- Have residents focus on events, activities, etc. in the community
