

Welcome home, to The Abington

The Abington, featuring its iconic and historic exterior designed by Albert Kahn, offers 130 bright and stylish studio, one, and two bedroom apartments. This community provides everything you need to live, work, and unwind in one of Detroit's most dynamic and evolving neighborhoods.

Once inside, you'll discover beautifully restored historic architectural elements that complement upscale modern amenities and community areas designed to foster a perfect balance of life, work, relaxation, and social interaction.

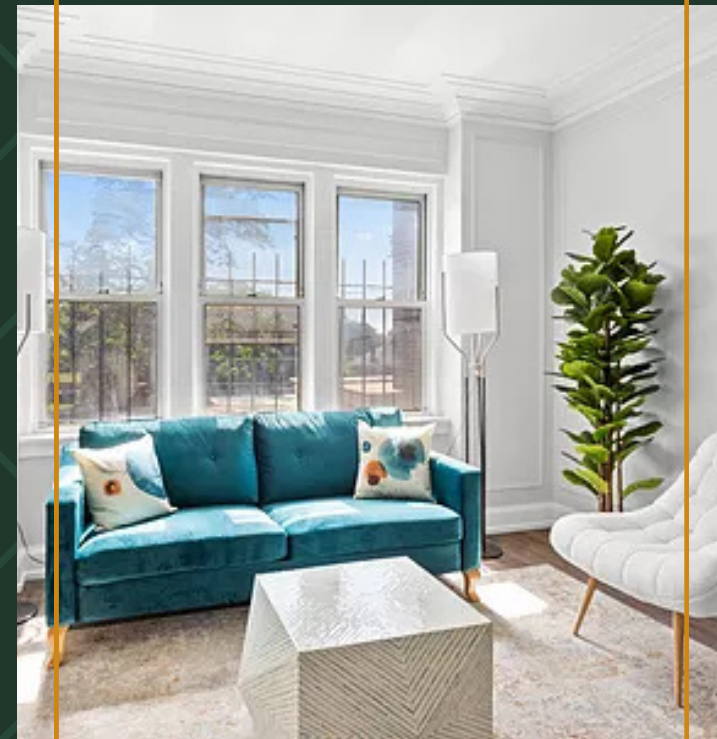

Outside, a sunny private courtyard leads to the wide, tree-lined streets of New Center. With a brand new fitness studio and a welcoming community lounge on-site, along with art, dining, shopping, parks, and museums just a few blocks away, The Abington Detroit truly brings the best of New Center to your doorstep.
