Soon the ghosts & goblins will be gathering at Hi-Point to scare a treat out of you! This year's Halloween Party & Chili Supper is on Monday, October 31st. We will start the evening off with children (up to age 11) Trick-or-Treating.

*** We will be doing **Trunk or Treat** again. As usual we will be taking the group of ghosts and goblins around the complex to trunk or treat. Please let us know if you plan to hand out candy. **You will need to set up outside at the main sidewalk in front of your unit.**

If your children are going trick-or-treating please have your child at the clubhouse by **4:45 pm** so we can coordinate groups. We go as a group so the tenants that are passing out candy will not have to sit & wait half the night for everyone to stop by. We will be seeking parent volunteers to help lead groups of kids.

After trick-or-treating we will all gather at the clubhouse for a chili supper. There will be contests, prizes, snacks & more going on at the clubhouse starting at around 6pm! The Annual Halloween Party is for all ages & this is an event that you do not want to miss! Remember, we have costume contests for adults too!

Please **RSVP** by completing the form below & returning it to the office by **October 15th** so we can plan the food for the number of people planning to attend, we'll know how many trick-or-treaters there will be & how many people plan to pass out candy... Thank you!

APARTMENT # _____ I / WE PLAN TO...

TRICK-OR-TREAT _____ (# OF CHILDREN)

ATTEND CHILI SUPPER _____ (# OF PEOPLE)

PASS OUT CANDY _____ (Y IF YES)

ENTER CHILI COOK-OFF _____ (Y IF YES)

The Heat Is On!

Cooler weather is on its way! Here are a few tips from the maintenance staff to help you through these late fall/winter months:

- It's always best to test your heat before it gets too cold. If you haven't turned your heat on yet please at least turn it on to test it so if there is a problem with it we can get it fixed for you before it gets too cold outside.
- The first time you turn on your heat it may smell for a couple of minutes. This is due to dust that settles in the ductwork and it should correct itself fairly quickly.
- When temperatures drop below freezing please make sure you keep your thermostat set to at least 65 degrees to prevent pipes from freezing.
- If you are not used to Electric Heat Pumps & this is your first winter using one you may notice that the air coming out of the vent feels cold. This is **NORMAL**. The air will feel cooler than what you think it should because the air is being forced through the vents at a hi-speed. As long as your thermostat shows that the temperature in your apartment is within a few degrees of your setting it is functioning properly. If the air vents are blowing directly onto your bed, couch, etc., you may want to install a vent deflector. These can be picked up at Wal-Mart, Lowes, etc. Most of these are magnet mounts. If you need help putting a deflector on your vents please let us know.
- Please keep your furnace

area free of clutter.

- During **EXTREMELY** cold weather (when the temperature remains below freezing) you may need to switch your thermostat over to Em. Heat for a little while.
- If you feel that your heat unit is not functioning properly please call us. We will be happy to test it.

Please call the office if you have any questions...Thanks!

Just as a reminder of how important it is to clean the lint trap on your dryer after each use!

We have noticed a lot of lint in the breezeways and this is due to not cleaning the lint trap on the dryer.

- **Fire Prevention:** Dryers are the source of over 15,500 fires each year in the United States alone. A dryer fire is most commonly started due to excess lint, debris, or clogs in the dryer vent line, and a thorough dryer vent cleaning is the best way to prevent one in your home.
- **Eradicate Mold & Mildew:** Mold and mildew thrive in warm, moist environments, just like those that exist in dryers and laundry areas where a dryer vent clog or obstruction is present.
- **Save Time:** When your dryer vent is clogged, it traps heat and moisture in your dryer and laundry area, making the drying cycle take longer than usual. With routine dryer vent cleaning, you can shorten your drying time by restoring proper airflow throughout the vent line.
- **Save Energy:** An inefficient dryer vent system could be costing you an average of an extra \$18-\$24 per month due to extended and repeat cycles. By cleaning your dryer vent system, you can save big on energy and utility costs!
- **Extend the Life of Your Clothing and Dryer:** A clogged dryer vent can be damaging to your dryer and clothing through excessive wear during longer or repeated drying cycles and due to trapped heat and moisture. Restoring your dryer vent airflow by routinely cleaning can extend the life of your machine and your clothing!

Apple Mountain Slide, Combine Slide, Petting Zoo, Hamster Wheel, Cargo Climb, Hillbilly Basketball, Hillbilly Ping Pong, Back Yard Checkers, Connect Four and lots more fun things to do!!

AWAKE MINISTRIES has started: The Good Stuff Enterprise originated out of a desire to provide certification, training, and the experience residents in recovery need for job placement in the food industry. Our male and female residents work under the leadership of Samantha Beals – a graduate of our recovery program and the manager of The Paddock. Good Stuff benefits both our clients in recovery as well as our organization at large, as the revenue of food sales comes back to grow and sustain our work into the years ahead. When you buy healthy meals from us, you are making Hope, Help, and Recovery possible! It is our great pleasure to deliver The Good Stuff right to your door!

- Sept. 2nd -Pulled Pork Sandwich, coleslaw and turtle brownie.
- Sept. 9th -Taco Salad with tortilla chips and cinnamon apple crumb cake
- Sept.-16th Dressed hamburger, lays chips and strawberry no-bake cheesecake.
- Sept.-23rd-Baked spaghetti with bread sticks, side salad with ranch dressing and chess bar.
- Sept.-30th Chili, peanut butter sandwich and pumpkin roll.

Puzzle Time!
Bring your completed word search puzzle (one per apartment) to the office, by Oct. 15 to be entered for a prize drawing.

CONGRATS

to our September Puzzle Winner:

Samantha Gibson & Steven Willard

You will receive a \$25 rent certificate.

Please remember we have a pet policy at Hi-Point. If you are a pet owner you are responsible for cleaning up after your pet. We know some of you are being responsible pet owners. However some people are not picking up after their pet as there are several buildings that have a mess around them. Not only are these messes UNSIGHTLY they are also UNSANITARY!

Remember if you are caught not picking up after your pet you will be fined \$50 per occurrence.
