Some fees may not apply to apartment homes subject to an affordable program. Residents may be responsible for maintaining insurance pursuant to the lease. Residents are responsible for damages that exceed ordinary wear and tear. Additional fees may apply in specific situations, as detailed in the application and/or lease, which may be due at the time of completing the application process. The actual amount of the Security Deposit is subject to change based on specific screening results of applicants, provided that the total security deposit(s) will not exceed any applicable legal maximum. Residents may be responsible for activating and maintaining utility services, including but not limited to electricity, water, gas, and internet, as specified in the lease. All prospective residents should verify the fees in place at the time of submitting an application.
