

We take your privacy seriously and are committed to protecting your personal information. We use your information to handle your rental application, manage your lease, take care of maintenance requests, and keep in touch with you about important updates and community news. We value your privacy and will never sell or share your confidential information. We may share basic contact details—like your name, phone number, or email—with trusted third-party companies that help us provide services for the apartment community. These may include utility companies, payment platforms, maintenance providers, or other service partners. They are only allowed to use your information to do their job for the property and must keep it secure.

We may update this policy from time to time to reflect any changes in how we operate or to follow new laws. Any updates will be posted in the office or on our website with the new date.
