Now Leasing 1 & 2-Bed Apartment Homes

Renovated Apartment Homes in San Leandro, CA

At ReNew One59, you'll find a community designed for balance. Our renovated 1 & 2-bed apartments feature spacious interiors with white cabinetry, sleek countertops, modern black appliances, and contemporary hardware, while private patios extend your living space outdoors. Select layouts include walk-in closets for extra storage, and every home comes with a reserved carport space. Community amenities are built to support your lifestyle. Stay active in the fitness center, relax with a swim in the year-round pool, or gather with friends at the picnic and BBQ area. Pet-friendly living means your four-legged companions are welcome too, with a Bark Park where they can run and play. Laundry centers are open around the clock, and on-site management is here when you need us.
