Our housing application is free. If approved, the first installment of your room charges will be due at the time of your move-in for the upcoming semester. Students are not required to move out during extended breaks (Thanksgiving, Winter, Spring Break), but must vacate by end of their lease term.

The Dining Hall operates during in-session terms at CSUC and closes for breaks lasting 2+ consecutive days (Thanksgiving, Winter, Spring, and Summer Breaks). Flex points can be used at our Starbucks Cafe, convenience store, or converted to "Dorm Dollars" for use at local restaurants like Madison Bear Garden, Kona's on Nord, Woodstock's Pizza, and Tacos Tonaya.

Renters insurance is required. You may provide your own or opt into our liability insurance for \$12.95/month, which meets the liability requirement (does not cover personal belongings). Rates and availability are subject to change. Contact our office for more information.
